who, though lacking in breadth of tone,

particularly in the lower register, sang

the role of Elliah with spirit and finish Miss Mabel Bouton was satisfying in the calibratic solos. Asid from a lack of certainty in at-

satisfaction. Mr. Williams is possibly

"Ideas may be pictures," said he. dainty a child?" The old man woke up. "Whose child? throw it away.'

tack, the chorus sang with enthusiasm and splendid clarity of phrase and shading. There was a lack of volume in the cry to Baal, due possibly to Mr. Damrosch's slow tempo, but the most difficult passage in the work, the fire chorus, was encompassed in a way that aroused the audience to great enthusiasm.

Mr. Damrosch's orchestra is not to be spoken of, but he was supreme master of it as well as of his choral forces.

The society announces "The Messiah" for Dec. 27 and 28. ORATORIO'S "ELIJAH." Mme. Lehmann Disappointed by Singing Few of the Numbers Allotted Her. An unusual throng filled Carnegie Hall last evening for the opening concert of

Vinol, the New Form of Cod Liver Oil.

Causes Sensation in Medical Circles.

Not Only in America, But in Europe.

"Good news goes fast," said Mr. Edward D. Cahoon, Treasurer of Riker's Drug Store, 6th ave. and 23d st., yesterday, talking to a reporter about that wonderful Vinol, concerning which so much is heard nowadays. "Why, you know that besides being talked about in New England, many of the prominent papers in America are devoting more covery. See here; what do you think of this?" Whereupon Mr. Cahoon

The Lancet is the greatest medical publication in the world, and anything appearing in its columns is considered as indisputable evidence "Let me read this to you," said Mr. "I won't bother you with show you what the great men of the Old World think of Vinol," whereupon he read the following:

"Recent investigation has led to the isolation of several distinct bodies in cod liver oil, notably These principles have been tested faithfully and the results form the subject of an exclusive report by Gautier and Mourgues in the Journal de Pharmacie, who concluded that the combined active principles of cod of nutrition and assimilation, and show definitely the nature of the principles to which the oil owes its raluable medicinal properties."

"And the best part of all this is," continued Mr. Cahoon, "it is not only the physicians that are enthusiastic but the people who are taking the remedy. After all, I do not blame them much, either. It does not take but a minute for any one who is obliged to take cod liver oil to find out that Vinol is tasteless. Then the patient soon realizes its advantage It does good so much more quickly and accomplishes the desired end in a much more marked manner than od liver oil in its crude form was ever able to do. Oh. yes. of course I consider the success of Vinol as as-How can it be otherwisediscovery that has revolutionized the form and made it practical to prescribe the greatest known medi-

"Just think what it means; getting ill the benefits in a concentrated smelling grease. Yes, come any time you would like to see me. I am always glad to see you about Vinol, praise every day."
